## About ATVs, Riders 'N' Commitments to Safety

We understand that riding ATVs ( All Terrain Vehicles ) is inherently risky. We go to great lengths to ensure that every ride is adventurous, educational, fun and of course, safe. The following safety standards are observed on every tours; pre-ride safety instructions, safety course orientation, one tour-guide and one chaser, support ATVs equipped with first aid kit, tool box, water, fire-extinguishers, communication devices; mobile phone and walky-talkies.

ATVs are not toys, can be hazardous to operate. Always wear the helmets, gloves and ride in responsible manner, respecting the environment as well as all state and local laws. Our ATVs are fully automatic; easiest and safest to ride.
